

I am asking for your vote and will earn
your future support by:

Protecting our hard earned tax dollars.
Ensuring transparent school board
meetings and deliberations.

As a Community leader I know it takes
many hands and many feet to do the
work that needs to be done so our
schools can grow and prosper for every
student enrolled in the school system.
This can only be accomplished by full
funding of programs needed to enhance
the lives of the children in the schools.

Maintain positive relationship with REA
and other unions

system.

Lincoln County. His credentials,

my constituents. If you would like to

Involve OUR communities. The
Ruidoso School District can no

needs to ask for help.

“Passionate. Committed. Ready.”
